March Against Meth

2nd Annual Walk-a-Thon to raise to support the ministry
Sponsored by THE NEST-a non-medical social detox ministry.

Walk-A-Thon

Walk a mile or as many as you decide and make a pledge of your choice \$ per mile beginning First Friday, October 7 through October 22. Bring your pledged money to the March Against Meth at Aldersgate Church on Saturday October 22 and celebrate at the Awareness Fair and listen to the testimonies of people who have chosen to participate in recovery programs and win the victory over addictions and walk in the freedom of restoration.

You can make a team and ask other to join your team and help build more finances for The Nest. Why not make it a friendly contest among your peers to see who can walk the most miles for a great cause.
